

[Lab-grown and natural diamonds sourced from the Russian Federation cannot be sold on eBay.](#)

[US Customs and Border Control requires](#) that shipments containing diamonds be accompanied by a self-certification on your company letterhead attesting that the included diamonds were not sourced from the Russian Federation.

Please fill out the below information, print it, and include it with your shipment.

Your Company Name or eBay Username: _____

Please check the appropriate response below.

For jewelry that does not contain any diamonds

☐ “I certify that the jewelry in this shipment does not contain any diamonds.”

For non-industrial, loose diamonds

☐ “I certify that the non-industrial diamonds in this shipment were not mined, extracted, produced, or manufactured wholly or in part in the Russian Federation, notwithstanding whether such diamonds have been substantially transformed into other products outside of the Russian Federation.”

For diamond jewelry and unsorted diamonds

☐ “I certify that the diamond jewelry and unsorted diamonds in this shipment are not of Russian Federation origin or were not exported from the Russian Federation.”
