Receiving an Amended Quote: If the Goods do not meet what we were expecting, you will receive an amended quote. You can either accept or challenge this quote, you must follow the instructions within the email within the timeframe

Providing Proof of Fault:

- **Functional Fault:** If the amended quote is due to a functional fault, we will provide a link to a Phonecheck report to validate the fault. The Phonecheck certification suite tests devices for accurate diagnostic testing, device history, and complete erasure. Once a device is certified by Phonecheck, buyers and sellers can be certain it has undergone a third-party inspection.
 - **Cosmetic Fault:** If the amended quote is due to a cosmetic fault, we will provide an image of the device highlighting the cosmetic issue. We recommend sellers take clear, well-lit pictures of their device from all angles before sending it to us.
 - **Accepting the Quote:** If you accept the amended quote before 5pm, you will be paid the same business working day.
 - **Challenging the Quote:** If you challenge the offer, it will be escalated to a senior member of staff for review within 72 hours. We will follow up to understand the issue, whether it was due to service quality or price. A new offer may be given. If you accept this revised price, payment will be made the same day.
 - **Rejecting the Offer:** If you choose to reject the offer after it has been reviewed, your device will be returned free of charge, using a Royal Mail tracked 24 Service within 3 working days.
 - **Response Time:** If we do not receive a response within 72 hours during the re-quote process, the quote is automatically accepted for the offer price, regardless of whether it was challenged. We encourage customers to respond quickly to our re-quote communications. - **Finality:** Once an offer has been accepted, it is not possible to reverse the decision.
8. **No Accessories:** Do not send boxes or accessories with your device, these will be disposed of and cannot be returned or replaced.
9. **Lost Items Claim:** In the event an item goes missing using OUR Royal Mail freepost label, we will submit a claim to Royal Mail on your behalf. This is the same process for DHL. To submit the claim, you must provide proof of posting from the post office and proof of purchase from where you originally purchased the item. This must be provided within 7 days of sending the device to us. It is up to Royal Mail's discretion whether a claim is successful.
