

Criminal & Regulatory Investigations

As the world's leading e-commerce company, eBay Inc.'s global portfolio of businesses enables hundreds of millions of people to buy and sell online. eBay Inc established the eBay Criminal & Regulatory Investigations team to promote the safe use of its platforms and to collaborate with local, national and international law enforcement in apprehending and prosecuting criminals.

Resources for Law Enforcement Investigations and Service Levels

eBay Inc developed the eBay Law Enforcement tool to enable law enforcement officers to seek records for investigations related to the eBay platform quickly and securely.

eBay Law Enforcement tool is an online webform designed for Law Enforcement officers, judges, public prosecutors and government agencies to submit their eBay data requests, inclusive of uploading their supporting documents such as a court order. This site (le.corp.ebay.com) may only be used by law enforcement personnel who will go through an authentication processes. An eBay userID, email address or item number is required to obtain users' data. The officer can download the information directly from the portal. It's fast, easy and safe to use. Responses to requests submitted via eBay Law Enforcement tool will be retrievable within not more than 10 working days.

Requirements for eBay data requests

Requests submitted through **eBay Law Enforcement tool** must comply with the following legal requirements:

- **Must be Addressed** to **eBay GmbH**, which is the entity name of the data controller of the European eBay sites.
- **Must be a Typed** official document bearing the logo of the requestor
- **Must be Signed** by the law enforcement officer in charge of the investigation
- **Must quote the applicable act or law** under which the LE agency is requesting the data under.

Also, all requests should include:

- Officer's name, department, street address, telephone, fax and email address.
- All known email addresses, names and aliases of the subject
- Exactly what information is required, how it pertains to eBay and your investigation

Important Note:

All requests that are not addressed to the correct eBay entity (**eBay GmbH**) will be rejected.

Priority will be given only in particular circumstances and investigation types (ie. life threatening issues etc.) and only where the sense of urgency is appropriately specified
