[View in Browser](#)

As a reminder, eBay Partner Network is moving from rover-based tracking links to a new tracking link format effective today.

All ePN tools and widgets and eBay's Data Feeds and Browse APIs automatically switched over and are now serving the new tracking links.

Use the new Smart Share [Link Conversion tool](#) to replace any remaining rover-based links you have shared by Wednesday, March 31.

Read more about this change [here](#), and feel free to [contact us](#) with any questions.
