We're contacting you to share an important update about our reporting. Starting February 17 (Pacific Time), any commissions associated with purchases you make through your own affiliate links will be automatically reversed in your reports.

This is one of several ongoing improvements to our reporting, all of which are designed to provide you with more accurate, detailed, and up-to-date reports. We'll share more about the additional changes in the coming weeks.

We're here to help. [Contact us](#) any time with questions or concerns.
