

## Certification of Registered Marketplace Facilitator

### Instructions

Pursuant to §39-26-105(1.5)(c)(II), C.R.S., marketplace facilitators may use this form to certify that they are registered with the Colorado Department of Revenue to collect Colorado sales taxes, and will collect and remit Colorado state and applicable state-administered local sales taxes on all taxable sales made in or through their marketplaces.

Marketplace sellers will be relieved of liability for the collection of sales tax on sales made through a marketplace if they either obtain this certification from the marketplace facilitator or have a contract that explicitly provides that the marketplace facilitator will register, collect, and remit Colorado state and applicable state-administered local sales taxes.

The marketplace facilitator is encouraged to submit one copy of this certification to the Colorado Department of Revenue at:

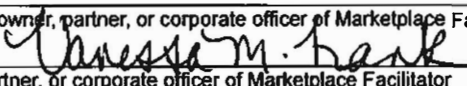

**Mail to:**

Denver Service Center - Room 102  
PO Box 17087  
Denver CO 80217-0087

The submission need not identify the marketplace seller to whom the certification was issued, and additional copies need not be submitted each time a certification is issued thereafter.

This one-time submission from facilitators who have not yet notified the Department that they will handle facilitated sales will help us correctly identify facilitator businesses so that we may better assist you and your customers with your tax compliance efforts.

Upon receipt from a marketplace facilitator, the marketplace seller should retain a copy of this certificate for their records. Marketplace sellers should not submit this certification to the Colorado Department of Revenue unless requested by the Department.
