Your covered products must qualify for coverage as per these terms and conditions and be registered with us via phone or web portal prior to obtaining service. A copy of your original purchase receipt may be required prior to a claim being processed. This receipt must contain the item's purchase date and price.

For new products your coverage under this Plan is effective beginning on the date you purchase your product or on the date your original product was delivered to you as stated on your purchase receipt and will expire either one (1), two (2), three (3), or four (4) years from this effective date depending on the length of the Plan you purchased and as stated on your purchase receipt.

Coverage for products previously owned or refurbished ("Pre-Owned Products") will commence thirty-one (31) days after the purchase of this Plan as stated on your purchase receipt and will expire either one (1), two (2), or three (3) years from this effective date depending on the length of the Plan you purchased and as stated on your purchase receipt. There will be no claims accepted during this thirty-one (31) day enrollment period for Pre-Owned Products.

This Plan is inclusive of your product's manufacturer's warranty; it does not replace your product's manufacturer's warranty, but it does provide certain additional benefits as listed within this Plan during the term of the manufacturer's warranty. Products must be utilized as the manufacturer intended as stated in your manufacturer's warranty.

Parts and services covered under the manufacturer's warranty during the manufacturer's warranty period or that are the subject of a manufacturer's recall are the responsibility of the manufacturer and are not covered under this Plan.

After the manufacturer's warranty expires, this Plan continues to provide the benefits provided by the manufacturer's warranty (excluding any manufacturer's loaner program), as well as certain additional benefits as listed within these terms and conditions.

If your product was not purchased at Best Buy, we will, at our discretion, fulfill the replacement of your product with a similar product from Best Buy of like kind and quality that is of comparable performance. This product will be chosen in our sole discretion.

Our obligations to you on your covered product under this Plan will be fulfilled in their entirety if we replace your product with a new or refurbished product or issue you a check, voucher, or gift card for replacement value of your product pursuant to these terms and conditions.

If your original product was delivered and/or installed by Best Buy or Geek Squad as stated on original purchase receipt of the product, and you receive a replacement product pursuant to these terms and conditions or it is necessary for us to remove your product for it to be serviced, we will cover the delivery and installation costs for your replacement product or serviced product exclusive of parts such as mounting brackets, kits, etc. that may be needed to complete the installation.

If you purchase ADH coverage, this Plan will include the coverages listed in Section A.

ADH coverage will provide coverage for parts and labor costs to repair your product as a result of damage to your product that is the result of an unexpected and unintentional external event (drops and spills) that arise from your normal daily usage of the product as the manufacturer intended. If your product has been replaced pursuant to this ADH provision, the Plan has been fulfilled in its entirety.

D. Obtaining Repair or Replacement Service.

To obtain service under this Plan, you can call 1-866-613-9854, 24 hours a day, 7 days a week. During this call we will include a fault diagnosis to clarify the problem prior to scheduling any in-home service. **Service performed in-home will be done during regular business hours and is at our discretion.**

If in-home service is provided for the full term of your manufacturer's warranty for major appliances, air conditioners, over the range microwaves and 42" TVs and above then it will be provided under this

Plan. If your manufacturer provides in-home service for TVs under 42" then it will be provided under this plan as well.

Repairs or replacements will be provided at our discretion by a Best Buy service center or authorized third party service provider.

In some cases, you may be required to ship your product for repair at our cost. In these cases either a pre-paid label or box including a pre-paid label will be provided at our expense. Be sure to have the original purchase receipt available so your claim can be processed.

Replacement parts utilized for repair service or replacement products will be, at our sole discretion, new, rebuilt or non-original manufacturer's parts that perform to the factory specifications of the product. Parts replaced under the terms and conditions of this Plan become the sole property of CWG except where prohibited by law.

If we determine, at our sole discretion, that your product cannot be repaired, we will replace it with a new or refurbished product of like kind and quality that is of comparable performance or reimburse you for replacement of the product with a voucher or gift card, at our sole discretion, equal to the current market value of the product, as determined by us, not to exceed the original purchase price of your product, including taxes.

Replacing your product or reimbursing you for the replacement of the product fulfills all of our obligations to you under this Plan with respect to that particular covered product.

You have up to ninety (90) days from the date of our authorization for you to complete your product replacement transaction.

Technological advances may result in a replacement product with a lower selling price than the original product.

In some situations, product replacements will be fulfilled by replacing a defective component of the product such as a power supply or earbuds if such components were originally included with your product; these products may be mailed to you and are limited to one like item per Plan term.

We may require you to secure your replacement product or part with a credit card number until we receive the defective product or part from you. If we do not receive your defective product or part, your credit card may be charged the value of the replacement product or part.

You must provide a safe, non-threatening environment for our technicians to receive service. Service may be denied if the environment is deemed unsafe at our discretion. Some products may need to be removed from the home to be repaired.

A service order disclaimer must be signed to obtain repairs. This service order disclaimer does not form a part of this Plan and is a separate legal document. Please refer to the service order disclaimer as additional terms/conditions may apply.

You may be charged a diagnosis fee to determine the cause of the product failure. If it is determined that the cause of the product failure is covered under either the manufacturer's warranty or these terms and conditions, the diagnosis fee will be refunded to you.

E. Availability of Services.

While we try to complete service as quickly as possible, we are not responsible for delays caused by factors beyond our control, including but not limited to manufacturer delays, parts availability, shipping to a regional service facility, Acts of God or other external causes.

F. Purchaser Records.

You must have this Plan and your original purchase receipt to receive service under this plan.

G. Customer Service Portal

The total liability under this Plan is the current market value of the product, as determined by us, not to exceed the original purchase price of your product, including taxes. Technological advances may result in a replacement product with a lower selling price than the original product. In the event that the total of all authorized repairs exceeds the aggregate limit of liability we shall have satisfied all obligations owed under the Plan.
