

About 3M

3M was founded in 1902 and is a global science company that has never stopped inventing. With over \$32 billion in annual sales, our 90,000+ employees connect with customers all around the world. Scientists, researchers, and marketers work across countries and across subjects to solve challenges big and small.

At 3M, we believe the right science applied the right way touches people worldwide. 3M harnesses the power of science to make the world safer, more efficient, and more prosperous. We use our science to solve challenges with our customers, and to stretch toward our vision of advancing every company, enhancing every home and improving every life.

3M owns trademarks, copyrights and other intellectual property rights covering a wide range of diversified products worldwide. As 3M has built up a significant reputation in its marks and products over a number of years, we are determined to protect our intellectual property in the most effective way possible. Accordingly, 3M will remove infringing listings from this and other online platforms to protect these valuable rights.
