

AAT - The Association of Accounting Technicians

Important information about selling AAT assignments on eBay:

Before a student sits an assessment, they are required to accept our terms and conditions which include a statement to confirm the CBA submission is their own unaided work and that the student will not distribute, reproduce or circulate AAT assessment material.

Under the AAT's *An introduction to malpractice and maladministration*, students may be guilty of malpractice if they:

- Copy from other candidates
- Plagiarise material

Disciplinary action may be taken against students who are found to be in breach of this regulation. AAT and our approved training providers ensure that all suspected cases are investigated thoroughly. Disciplinary action may be taken against students whose work contains plagiarised material.

Breaching Registered Trademarks

eBay listings that include AAT assessments or the AAT logo are breaching the AAT's trademarks, and will be reported to eBay for removal.

About AAT

UK's leading qualification and membership body for vocational accountants. We work across the globe with around 125,000 members in more than 90 countries. Our members are represented at every level of the finance and accounting world, including students, people already working in accountancy and self-employed business owners.

AAT members are ambitious, focused accounting professionals, many occupying senior, well rewarded positions with thousands of employers - from blue-chip corporate giants to public sector institutions.

Practical, real world qualifications

The AAT Accounting Qualification is universally respected and internationally recognised. Organisations such as Sainsbury's, P&G, Morgan Stanley, the Ministry of Defence and many more continue to hire AAT qualified members for their knowledge, skills, diligence and enthusiasm, because AAT represents the highest standards of professionalism.

In short, an AAT qualification is a route to some of the most in-demand skills in the world, and provides you with a professional status you can be proud of. AAT (Association of Accounting

Technicians) award around 90% of all vocational qualifications in accounting, and are sponsored by the professional accounting bodies CIPFA, ICAEW, CIMA and ICAS.

Support network

We support and develop our members through more than 500 AAT approved training providers across the world. We also have an extensive branch network where members can access support and training and meet other AAT members in their local area.
