

Anvil™

RAIL POST REPAIR BRACKETS

Welcome to the official VeRO Program profile of ANVIL. We prioritize the protection of our intellectual property rights and the integrity of our brand. This page serves as an informative resource to eBay members regarding our intellectual property rights and our participation in the VeRO program.

ANVIL Rail Post Repair Brackets as sold by eBay seller name Anvilweldingfabrication.
Store name used is ANVIL CUSTOM IRON WORK.

ANVIL is a member of eBay's Verified Rights Owner (VeRO) Program.

These are PAT PENDING products and Copyright Protection Is Automatic Under the present copyright law, which became effective Jan. 1, 1978, a work is automatically protected by copyright when it is created. Neither registration in the Copyright Office nor publication is required for copyright protection under the present law.

Our Intellectual Property Rights: At ANVIL, our intellectual property rights include our trademarks, trade names, service marks, and copyrights. These assets embody our brand identity and the reputation we've established in the market. Unauthorized use or reproduction of our intellectual property, including trademarks, logos, and copyrighted material, is strictly prohibited without our explicit consent.

Participation in eBay's VeRO Program: ANVIL actively participates in eBay's Verified Rights Owner (VeRO) program. Through this collaboration, we work closely with eBay to identify and address any instances of unauthorized use or infringement of our intellectual property rights on the platform. Listings found to be in violation of our rights are promptly addressed under the VeRO program.

Reporting Infringements: If you come across a listing on eBay that you believe infringes upon ANVIL's intellectual property rights, please contact us directly at info@anvilcustomironwork.com. Your assistance in identifying and reporting such listings is very valuable and contributes to our ongoing efforts to protect our brand. Thank you for

your cooperation and support in upholding the integrity of ANVIL and respecting our intellectual property rights.

Anvil Welding and Fabrication LLC is the registered trademark holder of the brand name “ANVIL” in respect to Rail post Repair Brackets for handrail posts that have rotted out or broken out of the cement. ANVIL is committed to safety with over 25 years of making handrails. Our Handrail post repair brackets are made heavy duty. These come at affordable prices which is a better alternative to replacing the whole railing.

ANVIL

strictly Controls the designs, manufacturing, advertising, distribution and sale of its products. It is illegal to import, manufacture, offer for sale, sell, advertise or distribute counterfeit or infringing ANVIL products. These activities are in violation of the law and can carry both criminal and civil penalties.

ENFORCEMENT: ANVIL employs a dedicated Security team and brand enforcement investigators to ensure that their trademark is not violated. We will not hesitate to commence criminal and or civil proceedings against any individual or business contravening the Trademarks Act 1994.

ANVIL is committed to the strict enforcement of its trademark and other intellectual property rights. We will request the removal of your auction because ANVIL and its agents has a good faith belief that the merchandise you were offering for sale is counterfeit or otherwise infringes our trademark and thus is in violation of the law.
