Kuvik is committed to protecting its intellectual property and ensuring the integrity of our brand across all marketplaces. As a participant in eBay's Verified Rights Owner (VeRO) Program, we actively monitor listings to prevent the unauthorized use of our IP and to protect consumers from counterfeit or misleading products.

## **Our Intellectual Property**

Kuvik owns and enforces a variety of intellectual property rights, including but not limited to:

- **Trademarks:** *Kuvik*™ and other marks used in connection with our products (applications and/or registrations pending or granted in various jurisdictions).
- **Copyrights:** This includes product images, packaging, written descriptions, manuals, and any original creative content created by Kuvik.

## **Infringing Listings May Include**

- Use of the Kuvik name, logo, or other trademarks without permission
- Sale of counterfeit or replica products
- Use of Kuvik product photos or descriptions copied from our official materials
- Any listing implying an affiliation with Kuvik without being an authorized seller
