## **Trademarks and Copyrights**

BioTrust Nutrition is the sole owner of all BioTrust Sites, and the content therein. BioTrust intellectual property includes numerous registered trademarks and common law rights. Proprietary information including text, images, video, graphics and sound within BioTrust sites, as well as BioTrust newsletters and marketing material, are protected under the United States copyright laws. Any use of text, images or videos belonging to BioTrust shall be considered a violation of intellectual property rights, and BioTrust will aggressively protect those rights.

## **How can I be certain I am buying genuine BioTrust Nutrition products?**

BioTrust sells its products using only a few methods; this assists in its anti-counterfeiting efforts:

- (1) Direct sales to consumers through BioTrust's sites; such as [www.biotrust.com](http://www.biotrust.com), and video sales sites that are BioTrust's intellectual property.
- (2) Dedicated online storefronts, such as the Official BioTrust Nutrition storefront at [Amazon.com](http://Amazon.com); and

(3) BioTrust Nutrition's customer service center 1 (800) 766-5086.

**Buyer Beware!**

Unfortunately some "BioTrust" items found online may not be authentic. It is illegal to sell counterfeit products and BioTrust Nutrition, LLC will not authenticate any item purchased from a party other than BioTrust or its authorized distributors and will make no representations as to its authenticity. The only way to guarantee authenticity is to purchase your BioTrust products from BioTrust itself or the Official BioTrust Nutrition Amazon storefront.
