There are trade marks and IP copy right materials that are registered to CYNTASTIC, including but not limited to marks such as; **CYNTASTIC word text**, **CYN-TASTICSTICKERS word text** and **Cyneasy word text**. IP rights in relation to copyright include but are not limited to Cyn-tasticstickers, Cyntastic, Cyn-tasticstickers, Cyneasy. Various publicly available websites exist in relation to registered trade marks and copy right.

These registered trade marks gives CYNTASTIC LTD and its associated groups and its authorised licensees to have the sole & exclusive right to use the trade marks in relation to the goods and/or services for which they are registered. CYNTASTIC has rights to prevent trademark use in fields beyond the goods and services for which the trade marks are registered.

It is an offence under applicable civil and criminal law for an unauthorised reproduction or application of a registered trade mark. For example, adding CYNTASTIC word text to an item, makes that item counterfeit and also infringes on Cyntastic Ltd rights in relation to trade mark.

Monitoring the internet and auction sites to ensure that these trade marks and IP copy rights are not being used without authority.

Unauthorised use of our trade marks and IP copy right subjects the offender to legal action. Additionally, you should be aware that such activity is prohibited by eBay (Refer to 6,2 of eBay's user agreement) and will result in your auctions being cancelled and your user account being suspended or terminated.
