

DarkHorse Ranch, Inc.

DarkHorse Ranch is my home in Southern California. It is also home to my horse, El Despejo, and our Aussies, Stevie and Jazz. I am an Equine Welfare Specialist, a poet, and a writer. Some years ago, I designed the cover for the American Horse Defense Fund's book, "Alternatives to Auction and Slaughter, A Guide for Horse Owners." The book is available on the AHDF website at <http://www.AHDF.org>, and your support of the effort to protect American horses--both domestic and wild--from inhumane treatment is appreciated. DarkHorse Ranch is the place where I write, create my artwork...and where my heart is. My first book of poetry is scheduled to be published the Summer of 2012, and it will be available on my website. You are cordially invited to visit my website at <http://www.darkhorseranch.com> to learn about some of the horses who have shared their lives with me, and to view some of my poetry and poetry prints.
