

David Barton

Dave's Volvo Page, located at www.davebarton.com, was created in 1999 to help other Volvo hobbyists with their projects.

The Prancing Moose was designed by Dave Barton in 2005, originally as a parody of the famous Ferrari prancing horse. The prancing moose image/design used with the corresponding text, "Prancing Moose," is protected by U.S. copyright number VA 1-423-751, dated 2005.
