

Saber Cycle / Barracuda®

Doozek Ltd. is a Missouri corporation based in Kansas City, MO, and manufacturers and markets spare parts, accessories and tools for Honda Gold Wing motorcycles retailed by its DBA, **Saber Cycle**, a trademark in existence since 1983. The house brand of our manufactured products is **Barracuda®**.

Doozek Ltd. created this VeRO participant page to protect its intellectual property rights by helping eBay sellers and purchasers understand the requirements of selling Barracuda® products on eBay.

Doozek Ltd. recognizes the rights of individual eBay sellers to use the name Barracuda® to resell used Barracuda® products on eBay in a limited extent to accurately describe the item being listed.

However, it is a violation of Doozek Ltd.'s intellectual property rights, to use Saber Cycle and Barracuda® trademarks, logos, photographs or images taken from our websites, eBay store, social media outlets and other printed materials to resell new products on eBay without our authorization.

The purpose of this policy is to protect Doozek Ltd.'s investment and resources to adequately market and retail our products on our sales channels without creating consumer confusion.

Thank you for taking the time to read our VeRO web-page and respecting our intellectual property rights to avoid the consequences of infringement.

Should you have any additional questions, contact us at Doozek-Ltd@att.net.
