Hedgehog® Gutter Clip

The Hedgehog® Gutter Clip was designed by our Managing Director, who also owns the design patent on the product. It keeps the Hedgehog® Gutter Brush securely in place in gutters within all kinds of challenging environments; low hanging, flat roofed, gutters with no tile nose overhanging and those located in high wind areas.

Hedgehog® Easy Air Wedge

The multi-purpose Hedgehog® Easy Air Wedge is a new and exciting addition to our range of products. It is an inflatable wedge that makes the fiddly job of fixing and levelling easy. It holds windows, doors, appliances and equipment in place for easier installation and fixing.

The advertisement features a large, detailed image of the easyairwedge device, which is a black, wedge-shaped tool with a silver handle and a built-in air pump. The device is shown lifting a weight labeled '140 kg'. Below the main image, there are five smaller icons representing different applications: a radiator, a window, a washing machine, a dryer, and a tall cabinet. The background is black with white and green text.

Hedgehog® Easy Scoop

The Hedgehog® Easy Scoop Gutter Cleaner is the easiest way to remove leaves, twigs & waste from gutters, before installing the Hedgehog® Gutter Brush. It's a versatile scoop with a multitude of uses around the home.

Hedgehog® Anti Bird Brush

The Hedgehog® Anti Bird Brush prevents birds from perching, roosting or nesting on exterior surfaces around your home and garden – protecting against damage, nuisance and health risks, without injuring birds.
