**OUR GMV PRINCIPLES OF DOING BUSINESS** The Guiding Principle. We believe in doing what's right for our customers. We will do whatever is necessary to satisfy your requests and fill your orders promptly.

GMV Productions [www.gmv.com.au](http://www.gmv.com.au) has the largest collection of bodybuilding DVDs in the world featuring the top male and female bodybuilders and fitness athletes. GMV Bodybuilding [www.gmvbodybuilding.com](http://www.gmvbodybuilding.com) has one of the largest selections of male and female Digital Downloads of bodybuilders, contests and fitness athletes. All of our downloadable videos have been transferred directly from the original video master tapes and we are using the latest compression technology to produce high quality MP4 videos.

We can say this because GMV Productions has been filming bodybuilding features, posing routines, events such as Olympias, Mr. Universe contests to natural amateur competitions, strongman, pump rooms, strength events, powerlifting and fitness expos - since 1965.

In addition to the biggest range of titles, we also have the biggest names. These include, but are not restricted to names such as Arnold Schwarzenegger, Ronnie Coleman, Dorian Yates, Lee Haney, Jay Cutler, Sergio Oliva and all of the Olympia winners to present-day stars such as Phil Heath, Kai Greene, Dennis Wolf, Shawn Rhoden, Flex Lewis, Branch Warren etc amongst the men and every Ms Olympia winner, Iris Kyle, Cory Everson, Yaxeni Oriquen, Adela Garcia, Nicole Wilkins, Oksana Grishina, Alina Popa etc amongst the women.

All of this footage produced by GMV is protected by copyright. We rigorously police eBay and YouTube for items of piracy and unauthorised usage. This applies to GMV Productions, GMV Bodybuilding, The Arnold Sports Festival (ASF), The Olympia™ and any other events associated with us where it has been authorized for us to protect copyright.
