

Garden Selections Limited

Founded by Jules Slocock in 2001, Garden Selections offers quality gardening and home-ware products at sensible prices. Passionate about gardening, the team works tirelessly with key suppliers to design and source innovative products that true gardeners will love. Following high demand from our customers for stylish, practical products at sensible prices, our gardening collection has now expanded to include a wide new range of home-ware, wildlife and bird care products, pet care products, outdoor leisure and children's games.

Good customer service is important to us, so we only deal with the most efficient suppliers, manufacturers and couriers to ensure that we can offer the best quality and value for money.
