

Graphics Technology HK Limited

GRAPHICS TECHNOLOGY LIMITED is the nationally supported and promoted high-tech enterprise which has the core technology and ability to research and develop independently. It is a well-known manufacturer which produces animation products and other handwritten input digitizer products. Huion's main product line includes the USB Pen Tablet, Wireless Pen Tablet, Signature Pad, Pen Tablet Monitor and LED Tracing Board. We serve complete services which include: software design, PCB layout, mechanical design, industrial packaging design and SMT to assembly, etc.

We strictly enforce our intellectual property rights and regularly monitor the Internet, including auction sites, to prevent and halt violations of such rights. Unauthorized use of our intellectual property, including our logos and trademarks (Huion) is not allowed. We welcome other seller to sell our product but please follow our rules.
