

HOODMAN: Innovation in Imaging Since 1986

For over 39 years, [Hoodman Corporation](#) has been a leader in the imaging industry, providing high-quality tools for professional image makers. Our dedication to innovation is reflected in our extensive portfolio of products, protected by trademarks, copyrights, and patents worldwide.

We've built a strong reputation, and we're committed to protecting our intellectual property. This includes actively removing infringing listings from platforms like eBay to safeguard our valuable assets and ensure the integrity of our brand.
