

Hy Cite Corporation

Hy Cite Enterprises ("Hy Cite") specializes in home cookware systems, air purification and water filtration systems, juice extraction systems, dinnerware, cutlery, and other household products sold under the well-known Royal Prestige®, NutraEase®, and Kitchen Charm® brands.

Trademarks and Copyright

Hy Cite's trademarks are valuable business assets that identify its high quality products and distinguish them from those of competitors. *Hy Cite* makes every effort to protect its trademarks and prevent misuse in eBay listings, which constitutes infringement.

Examples of misuse include, but are not limited to, the use of *Hy Cite* trademarks to sell counterfeit products or for search manipulation (i.e., using *Hy Cite* trademarks in listings for competing products in order to attract purchasers).

Hy Cite's online and printed marketing materials, including all text, images, and logos contained therein, are protected by copyright and may not be reproduced in whole or in part by any person. Do not "borrow" this protected material to create eBay listings. Doing so constitutes infringement.

Important Warranty Notice
