

Jo Condrill - GoalMinds, Inc.

I've traveled a lot in Europe, including Germany, Italy and the Vatican, Bulgaria and a small portion of Turkey. I love to travel! I worked in the Pentagon as a civilian, supervisor, for some years. Lived, worked and wrote in the Los Angeles area, and am now back home in Texas. You may find books I've written or published for sale by individuals on eBay as well. My first book, *101 Ways to Improve Your Communication Skills Instantly*, has been translated into several languages. Write to me for more information on these, if you are interested. *Take Charge of Your Life* is being translated by a publishing company in Indonesia in the Bahasa Indonesian language.

GoalMinds Inc. is a woman-owned small business that provides training seminars and publishes books that help people improve their communication skills and life skills such as goal setting. We have a GSA contract for management training, consulting, and facilitation services.

GoalMinds' associates have written key resources and best selling books in their areas of expertise. One of our associates is a Vietnam Veteran. In addition to maintaining high educational qualifications, associates are also members of professional organizations such as the National Contract Management Association, American Society for Training and Development, and the National Speakers Association.

The US Department of Commerce recently presented GoalMinds an Export Achievement Certificate for recent accomplishments in the Global Marketplace. In 2002 our book *From Book Signing to Best Seller* was named "Best Writer's Reference Guide" by the Bay Area Independent Publishers Association.
