Kyser and VeRO

Kyser has received complaints from eBay users who have purchased imitation or counterfeit Kyser products believing that they were authentic Kyser products.

Because Kyser has expended considerable business and legal resources to develop and maintain its reputation for providing the highest quality products to its customers, Kyser has enrolled in eBay's Verified Rights Owner (VeRO) program.

Kyser will terminate any unauthorized auctions that attempt to auction guitar capos or other products that infringe Kyser's intellectual property rights, including trademark rights, trade dress rights, patent rights, and copyrights.

If you have are notified by eBay that your auction must be withdrawn, it is because we believe that your unauthorized auction of a product unfairly trades upon Kyser's rights and goodwill.
