

Mike Barrett Productions Ltd.

Mike Barrett Productions Ltd, is a company producing programmes on DVD or VHS media. The company has been in the Film & video industry for over 25 years, in this time we have produced many programmes of which we are the legal intellectual rights owners.

We do not allow Piracy or Copying (in any form) of our media by any third party & our products are only available from Mike Barrett Productions Ltd or one of our authorised sellers. We do not have any authorised sellers selling our products/media on eBay.

As a member of the eBay VeRO Programme, we will request eBay to remove any listing which violates copyright and our intellectual rights. (see below)

INTELLECTUAL RIGHTS

As a company we enforce our intellectual rights on all our programmes & media, after all piracy affects us all and threatens our livelihood and the production of new programmes for our honest and law abiding customers.

We view Piracy of our work as a crime and any breach of copyright by an eBay member or third party will be reported to eBay immediately.

If you know of any instance of Piracy or breach of copyright please inform eBay or contact us through the "contact seller/member" link.

We thank you for your help in keeping eBay a safe and trusted community.
