If we have requested that your listings be cancelled due to infringement or any other VERO or wBay violation it is because we believe there has been a violation, we don't just do it for 'kicks' like some other vendors. If you are reselling our property in part or whole or are selling counterfeit or copied items to unsuspecting buyers - we will report you. If you are selling someone else's property in part or in whole we will notify the rights owner(s) and report you to eBay. Most vendors of study material have worked very hard to produce good material and we respect their right to market said material.

For information about eBay's VERO program, click on the help tab and type in "VERO" or copyright - eBay's help pages are very extensive and will explain the program.

If you believe that your item has been cancelled in error you may contact us at customerservice@studygroup101.com. A response will be issued within 7 days.

What is the VeRO Program?

eBay is committed to providing our customers with a safe place to buy and sell while respecting the rights of intellectual property (IP) owners. The Verified Rights Owner (VeRO) program allows the owners of intellectual property rights and their authorized representatives to report listings that may infringe on those rights.

VeRO Participant Profiles

To help you safely sell branded products on eBay, we offer these pages written by intellectual property rights owners and similar organizations that work with eBay. These pages give information about the brands' products and legal positions. The rights owners are solely responsible for the content. Please contact the rights owners directly if you have questions. Some rights owners who work with eBay did not contribute a page, so the list of brands is not comprehensive.

If you represent a rights owner with a page below and have concerns about it, please contact us at vero@ebay.com.
