

On The Edge Brands is a member of the eBay VeRO Program and owns several trademarks and Patents. On The Edge Brands provides this page to educate eBay users about auctions that infringe the property rights of On The Edge Brands. On The Edge Brands is the marketer, exclusive licensee or owner of a variety of consumer products.

On The Edge Brands' intellectual property such as its trademarks, product names, and advertising materials are valuable business assets, identifying the source and reputation of our products and services that consumers have come to appreciate worldwide. As such, we work hard to protect them and the safety of our customers by routinely monitoring for fraudulent uses of its intellectual property from eBay. We will report and request the removal of any eBay listing that infringes our trademarks, intellectual property and copyright. This includes (but is not limited to) the unauthorized use of our brands, imagery, descriptions, bullet points, videos etc.

OTE holds rights around the world to trademarks used in connection with its products, including, but not limited to:
