

Paladone Products Ltd is a member of the eBay VeRO Program. As an eBay VeRO Program member, items for sale on eBay are reviewed daily. Paladone Products Ltd seeks to prevent customer confusion and deceptive practices of others by enforcing the eBay VeRO policies with regard to the use of Paladone Products Ltd's intellectual property on eBay.

This page is provided to educate eBay users about auctions that violate eBay's VeRO policies.

Paladone is a consumer products company that is obsessed with the latest trends and consumer needs.

We create officially licensed products for a wide range of brands across gaming, entertainment, and global brands, as well as non-licensed trend ranges. We pride ourselves in making great quality products that people want and will use every day.

Our products are sold across the globe in all tiers of retailers including speciality retail, online, department, fashion and mass-market stores.

Paladone Products Ltd works hard to maintain and build the Paladone Products Ltd brand and, as such, we strive to protect our intellectual property rights from infringers.

Paladone Products Ltd sells to authorised distributors & retail/trade customers only and does not sell used or damaged goods. Paladone Products Ltd strictly monitors and controls design, manufacturing, distribution and marketing to ensure the highest level of quality products.

The use of Paladone Products Ltd images, graphics and logos without permission cannot be used to promote the sale of items. Anyone who produces, copies, distributes or displays Paladone Products Ltd's copyrighted materials, including photographic images and accompanying item descriptions appearing on the Paladone Products Ltd website and/or advertisements without permission may be liable for copyright infringement on eBay.

In addition, the use of the Paladone Products Ltd trademark in connection with goods not made by or under the authority of Paladone Products Ltd is strictly prohibited. Although Paladone Products Ltd works to ensure that all unauthorised uses of its intellectual property are removed from eBay, it is difficult to identify and remove every unauthorised item. The fact that others are selling products that infringe Paladone Products Ltd' intellectual property rights does not give others the right to do so.

As a seller, you have the responsibility to ensure that your auctions do not violate the intellectual property rights of another. Before commencing an eBay auction, you must take steps to ensure that your auction does not violate the rights of any copyright or trademark holder.

If you have questions concerning Paladone Products Ltd's intellectual property rights, please contact us and provide us with the eBay item number, which appears on the message sent to you from eBay.
