

Pawsitively Perfect Bows

Handmade Dog Bows for show dogs and your precious pampered pet! Since 1999, Perfect Dog Bows has become well known for unique and specialty handmade dog bows. By combining materials with vivid colors and texture, my dog bow designs are truly unique. Elements such as custom ribbons, buttons, charms, vintage rhinestones, and other fun goodies, turn my bows into a one of a kind work of wearable pet art!

Our policy regarding Copyrights, Trademarks and eBay's (VeRO) Program.

Why Was Your Auction Removed? If you have received a notification from eBay that you must withdraw your product from auction and we are referenced in the notice, it is because I believe the items you are auctioning infringe upon my intellectual property rights such as trademarks and copyrights.

A Word about Trademarks and Copyrights and the eBay (VeRO) Program

Please Take Notice: First and foremost, **Pawsitively Perfect Bows** and **Perfectdogbows.com**, in order to protect our good name; has a legal obligation to ensure that all intellectual property rights such as **Trademarks** and **Copyrights** are protected against any unauthorized use and distribution. As such, any infringement of our rights in public forums including eBay auctions will be properly addressed by informing eBay as soon as we become aware of the infringement and subsequently requesting eBay to suspend the auctions.

We have been a member of the eBay community since October 1998, and I strongly support the stated purpose of eBay's Verified Rights Owner (VeRO) Program. Please note that I claim exclusive ownership to all intellectual property rights including my company name, logo and all non-eBay photographic images and text materials which appear in our eBay listings, whether accompanying an image or standing alone. Through the use of eBay's (VeRO) program I will immediately have eBay cancel any auction that contains any infringements of my copyrighted or trademarked materials, as I have the legal right to do so.

VeRO: Verified Rights Owner Program eBay's Verified Rights Owner (VeRO) Program works to ensure that items listed for sale do not infringe upon the copyright, trademark or other intellectual property rights of third parties. VeRO Program participants may identify and request removal of allegedly infringing listings.
