What is the VeRO Program?

eBay is committed to providing our customers with a safe place to buy and sell while respecting the rights of intellectual property (IP) owners. The Verified Rights Owner (VeRO) program allows the owners of intellectual property rights and their authorized representatives to report listings that may infringe on those rights.

VeRO Participant Profiles

To help you safely sell branded products on eBay, we offer these pages written by intellectual property rights owners and similar organizations that work with eBay. These pages give information about the brands' products and legal positions. The rights owners are solely responsible for the content. Please contact the rights owners directly if you have questions. Some rights owners who work with eBay did not contribute a page, so the list of brands is not comprehensive.

If you represent a rights owner with a page below and have concerns about it, please contact us at vero@ebay.com.
