

# RICHEMONT

**Richemont owns several of the world's leading companies in the field of luxury goods, with particular strengths in jewellery, watches and writing instruments.**

**Our Maisons™ encompass several of the most prestigious names in the luxury industry. Jewellery Maisons include Cartier, Van Cleef & Arpels and Buccellati. Specialist Watchmakers include A. Lange & Söhne, Baume & Mercier, IWC Schaffhausen, Jaeger-LeCoultre, Officine Panerai, Piaget, Roger Dubuis and Vacheron Constantin. Other businesses include Montblanc, dunhill, Chloé, Azzedine Alaïa, Peter Millar, Purdey and Serapian. Richemont also owns leading online distributors YOOX NET-A-PORTER GROUP and Watchfinder & Co.**

**Richemont takes the protection of its Maisons' intellectual property very seriously and has well-established anti-counterfeiting programmes in place. The production and sale of counterfeit goods is illegal and often linked to inferior quality goods and many other criminal activities.**

**If your auction was shut down pursuant to our request, it is because you have infringed the intellectual property rights of one of our Maisons. This may be because the item was counterfeit, infringing the registered design and/or copyright of a Maison product, or because the auction content was misusing one or more trade marks belonging to a Maison. Given the number of items on this platform, it is not possible for us to contact each seller individually before requesting that eBay shut down the auction.**

**If you have any questions after reviewing the above, please contact the email address provided in your notice of takedown, or [g-general@richemont.com](mailto:g-general@richemont.com)**
