

# Rideworx Pty Ltd

Rideworx Pty Ltd is an Australian owned and operated company. We have designed and manufactured the Barkbusters® range of innovative motorcycle handguards and accessories in Australia since the early 1980's.

Rideworx is dedicated to the continual improvement and development of its product range and manufactures to the highest possible standards. The outstanding design and quality of the products manufactured by Rideworx are widely recognised. So much that we produce handguards for OEM customers both in Australia and internationally. Rideworx sells its Barkbusters range of products through a worldwide network of distributors (Europe, UK, Middle East, the Americas and Asia), a list of whom is available on our website. The Barkbusters® motorcycle product range includes:

- JET® - dual sport, trail and enduro handguards
- Storm® - street bike and adventure-touring handguards
- VPS™- off road, supermoto, ATV and adventure-touring handguards
- EGO™- enduro, trail and mini bike handguards
- Mounting Kits
- Handlebar End Plugs
- Spare Parts for the entire range

Rideworx owns valuable intellectual property and has worked hard to develop recognition of its brands. Consumers worldwide now associate the brands with our reputation for quality products, materials and workmanship combined with innovative design.

Rideworx has trademarks registered in Australia, New Zealand, Europe, Asia and North America.
