

Rodan + Fields

The Rodan + Fields trade names, trademarks and service marks are important and valuable business assets. They help identify the source and the reputation of the Rodan + Fields Products and distinguish them from those of competitors. Therefore, Rodan + Fields makes every effort to protect its trademarks, its corporate logotype, label designs and various product names and ensure that others do not misuse them.

The use of the Rodan + Fields name (in any fashion) in reference to any item that may or may not be a Rodan + Fields Product is misleading and an infringement of the Company property rights described above. The Company's printed materials are copyrighted and may not be reproduced in whole or in part by any person, including an Independent Consultant.

In addition to the Trade Name, Trademark and Copyright information above, Independent Consultants must adhere to the Rodan + Fields Policies and Procedures. Rodan + Fields Products offered for sale through Ebay are being sold by individual third parties and are not covered by the Rodan + Fields Satisfaction Guarantee. All items purchased on Ebay are done so as transactions between the seller and buyer only and are not backed by Rodan + Fields.
