

Rohde Fine Art

Heather Rohde (ROE-dee) is a highly acclaimed full-time professional artist. Her artwork celebrates the beauty of animals, but, moreover, it reflects the artist's passion for life and all living things -- especially horses! Captivated with both animals and art as a child, Rohde began painting and drawing very young. She honed her abilities throughout her school years and into the University where she earned her Bachelor of Fine Arts degree in Studio Art. Impressive sales of her artwork allowed her to establish her business while still an undergraduate, winning top awards in nation-wide art exhibitions along the way.

Whether she is creating one of her signature equine pieces or depictions of other subject matter, Heather Rohde's expressive and detailed artwork always evokes a response. Rohde collectors sing her praises and those first discovering her art are mesmerized by her skills. The ever-increasing popularity of her work is a tribute to her energy, self-discipline, and lifelong pursuit of artistic excellence.
