Rugs Supermarket is committed to protecting the reputation of its brand RSM RUGS to help protect consumers from imitation products. We monitor eBay and maintain active membership in the Verified Rights Owners program (VeRO). We are committed to protecting our copyrights, trademarks and other intellectual property against unauthorized use. Our name, logo, photographic images, and item descriptions that appear on our website, on our Amazon store, and our eBay store are protected by law and may not be used without our permission. Use of these pictures, text and graphics without permission from Rugs Supermarket violates our intellectual property rights and can carry both criminal and civil penalties. If an infringement of our copyrights, trademarks or other proprietary rights is identified on eBay, we will notify eBay and request that the auction be cancelled. The seller will be notified with our contact information.

### Frequently Asked Questions (FAQ)

Q: Why was my auction suspended?

A: Rugs Supermarket strictly enforces its copyrights, trademark rights and other proprietary rights against unauthorized use. We believe that your listings on eBay infringes upon our rights. Therefore, we request that eBay remove your listings.

Q: Can I use the RSM RUGS logo, or other properties owned by Rugs Supermarket to add to my auction listing?

A: No. You cannot use any logos or imagery on your auction. This would wrongfully imply that your auction is authorized, sponsored or approved by Rugs Supermarket and is in violation of our intellectual property rights.

Q: Why did eBay let me post my listing if it was infringing?

A: eBay has insisted that it is unable to pre-screen all of its sales. Allowing a sale to be listed does not mean eBay has determined that your listing does not infringe RSM RUGS trademark or copyright rights.
