

Seeing with Sound - The vOICe

Dr. Peter B.L. Meijer is the author and copyright owner of "The vOICe Learning Edition" and "The vOICe MIDlet" software for the blind.

The former links point to web pages that describe the software and conditions for use: The vOICe software is free for personal use. You may not charge a fee or request donations for The vOICe software, nor distribute or include The vOICe software in or with commercial products, nor modify or reverse engineer The vOICe software. You may not use The vOICe software for commercial purposes, so you may also not sell The vOICe software on eBay.

If you notice sales, license infringement or copyright violation for The vOICe software on eBay, please report such that appropriate action can be taken against the seller.
