VeRO Notification

Simpler Trading© is a provider of training media in a variety of formats, and has been selling digital training media products since 2010. The Simpler Trading Team wishes to maintain a well-established reputation for its products and services.

Simpler Trading's copyrighted products includes many titles that are original programs and won't be found anywhere else. Simpler Trading provides training services to users purchasing products from us. Simpler Trading makes its content available only to legitimate customers who have purchased the product.

Simpler Trading takes its legal obligations to protect and enforce its copyrights, trademarks and other intellectual property rights very seriously. Simpler Trading began enforcing rights on eBay® **upon becoming aware that Simpler Trading content was being pirated and offered for sale. By** working to stop pirated content and use of its intellectual property, Simpler Trading hopes to protect its good name and reputation for high quality training, and to protect consumers from being deceived into believing that they are receiving legally made copies of Simpler Trading's copyrighted content.

Unfortunately, due to the nature of eBay®, it is impossible to prevent unlawful transactions in **advance. The fact that an offering is made on eBay®** does not mean that it is legal.

Even small sales or transactions can have serious consequences. Selling pirated materials owned by Simpler Trading violates the law and infringes upon Simpler Trading's intellectual property rights. In addition, the sale of pirated materials violates state, federal and international laws and treaties. In the United States, violators are subject to severe penalties for infringement. If you wish to report a situation that you believe Simpler Trading should be aware of, please contact us at compliance@simplertrading.com
