

Southwest Pictures / Southwest Entertainment Group, LLC

Thanks for visiting. My name is Thomas S. Watkin. I began the Southwest Photography Guild in 1995 while living in San Diego, though many of my artistic nude images of men are earlier than that. Let me know if you have any questions, or would like to know more about a particular model.

eBay VeRO Program I support and participate in the eBay VeRO program. The VeRO program exists to protect the legal rights of intellectual property owners. Anyone who copies and attempts to use (for any reason) one of my photographs without my written permission, will be reported to the VeRO program. eBay is aggressive about removing listings where Copyrighted material is being used without legal right. So please do not do this.
