

These Please Ltd

These Please Ltd designs and sells products including ceramic and resin cupboard door knobs, mortice handles and hooks.

Our Registered Designs can be accessed and viewed on the UK Government's IP database. These Please designs are registered in all colour combinations and for manufacture in any material. As such, copying and reproducing one of our Registered Designs in a different colour combination, or material, to that shown on the Registered Design photography, infringes our Intellectual Property, as much as directly replicating the specific colour illustrated on the Registered Design. These Please Ltd is a company registered in the UK. These Please welcomes competition, but will actively protect its registered designs, if required to do so.
