About To Your Home Limited

To Your Home started conducting its operations in 2005 as a Private Limited Company. Over the last thirteen years, To Your Home Limited, along with its registered brand Dihl, have increased their reputations as providers of top-class homeware goods. This has led to a number of our products, including our automatic sensor bins, becoming the UK's market leaders online and we're confident that you will be able to find exactly what you need among our range.

To Your Home Limited takes the quality and integrity of our brand, Dihl, very seriously. Our traditions of quality and affordability, teamed up with high-class customer services, are second to none, and of course maintaining this brand legacy is extremely important to us.

Potential Licensees are required to apply for licensing permissions directly with us. We take great pride in the quality and workmanship of our products and we, therefore, expect any potential licensees to be capable of maintaining these same high standards. Those who are not licensees and who use, copy, or distribute our Intellectual Property will be subject to legal sanctions and remedies.

Reporting Suspected Counterfeit Products

Due to the volume of online selling pages for Dihl products it is very difficult for us to remove every infringement. We therefore greatly appreciate and encourage suspect fake items being reported to us for assessment, and of course we will never divulge any such reports to the sellers in question. To report any suspect counterfeit products directly to us, please email us at daniel.roberts@toyourhome.co.uk

Delisted Incorrectly

Please be assured that you have not been singled out by us. If you feel that you've had an online sales page removed incorrectly please contact To Your Home Limited at daniel.roberts@toyourhome.co.uk
