

# Vintage Cigarette Lighters

Vintage Cigarette Lighters is a website listing many hundreds of vintage lighters along with information about the various lighters and manufacturers. Aside from the thousands of pictures of lighters, there are also instructions for many lighters, copies of old print ads for hundreds of lighters, and pictures of store counter displays for lighters. There are many articles on the website concerning lighters - collecting - fixing - dating - etc. This is the largest and most comprehensive website dealing with old cigarette lighters on the Internet.
