

The Weinstein Company

As one of the world's premiere movie studios, The Weinstein Company (TWC) and its affiliates own intellectual property rights to some of the most beloved films and television programs from the last decade. These properties include Oscar winners "The Artist" and "The King's Speech", fan favorites such as "Lee Daniels' The Butler" and "Silver Linings Playbook", and ground-breaking reality entertainment like "Project Runway".

TWC is vigilant in its protection of the company's intellectual property rights, and those of the greater industry as a whole. Any auction of material(s) that infringe upon those rights will be reported to eBay for removal. If you'd like to learn more about our company please refer to <http://weinsteinco.com/>
