

XBMC Solutions Ltd – **GPD®**

**XBMC Solutions Ltd** (DBA **DroiX**, previously known as **DroidBOX**) is a UK based verified limited company registered at Companies House.

We have committed to provide only services of the highest quality to all our customers. DroiX (at [www.droidbox.co.uk](http://www.droidbox.co.uk)) offers various forms of digital entertainment and can satisfy the needs even of a picky buyer. XBMC Solutions Ltd sells various items all over the Internet, including but not limited to Windows and Android powered PC, TV, Gaming, Projection and Supplementary digital devices. Additionally we hold a number of various brands, protected by authorities. Our top selling range is **GPD®** branded and we always strive for the very best service we can give. Our reason for joining the eBay Vero program is to protect our brand and to educate other respectful sellers of our rights. We are verified rights owners of **GPD®**. We have been a proud eBay member for about 10 years and we hope to be here for many more. Our brand **GPD®** will be expanding in many more categories (mostly Portable niche). If anyone has any information about any inappropriate use of the **GPD®** brand in a title or listing, members can report this directly to us at [legal@droidbox.co.uk](mailto:legal@droidbox.co.uk).

**COPYRIGHT INFORMATION.** Original images text owned by **GPD®** are protected under international laws, and no part of our images or descriptive text can be used in the selling or promotion of any items on eBay, or for any other usage. Unauthorized **GPD®** trademark usage without our release is considered a violation and is immediately reported to the authorities.

**TRADEMARK INFORMATION** **GPD®** is our brand and registered trademark. Any other unauthorized use of this trademark is not permitted without getting permission from us first.
