

XPressMart.com

XpressMart.com is a website specializing in vintage and classic motorcycle patches, decals, and gift items. We search all over for the best items, and we make them available through a convenient on-line shopping system. We carry a huge choice of custom embroidered patches, custom military ID tags, motorcycle patches, helmet stickers, bandanas, headwraps, "Biker Bills", glasses and goggles, and much, much more!

About the Intellectual Property Rights of Biros Merchandising

We take our business very seriously. For that reason, we are active in the eBay VeRO Program. In our daily searches on eBay, if we find a listing that references any of our websites, or if we find the use of any of our product descriptions, images, or data used or referenced in an eBay listing, we will report the infringement through the VeRO Program. In these cases, your infringing listing will be removed.

What You Can Do

- You may sell products purchased from our website (including our Volume Discount Website).
- You may sell products that are the same or similar to items on our website.

What You Cannot Do

- You may not reference any of our websites or website addresses in your listing without prior written approval.
- You may not provide links to any of our websites in your listing without prior written approval.
- You may not use any of our images from our website without prior written approval.
- You may not use any of our product descriptions or general data (including pricing information) from our website without prior written approval.
