

About dōTERRA

dōTERRA was founded in 2008 and grew rapidly thanks to the vision of a group of passionate people with a mission to share the purest essential oils with the world. They formed a company and named it dōTERRA, a Latin derivative meaning “Gift of the Earth”. Pure essential oils offer an alternative to synthetic products and are more than just natural products. Each with a unique chemical makeup. Essential oils have dozens of benefits that can be determined by the chemistry of the plants. When these natural chemicals are properly extracted, they can be used to help you in your daily life. We strive to share the resources, education, tools, and solutions that can empower anyone to make their own informed decisions about the wellbeing of themselves and their loved ones. To offer everyone the best personal essential oil education and experience around the world, dōTERRA uses the power of people, via our modernized direct selling model. This approach allows our Wellness Advocates to work directly with customers, as opposed to mass marketing, and allows individuals to experience for themselves the incredible power of essential oils while developing relationships of trust.

dōTERRA owns trademarks, copyrights and other intellectual property rights covering a wide range of our products. As dōTERRA grows so does the immense need to protect our intellectual property in the most effective way possible. Accordingly, dōTERRA will act on the removal of mentioned violations.
