

inVitamin, LLC

We're inVitamin. A family-owned business focused on creating personal care products that are unique, affordable and 100% natural. We believe that what we put onto our bodies is just as important as what we put into them. That's why we source plant based ingredients that are EWG Verified and Certified Cruelty-Free. As parents, creating safe products is a top priority. We don't produce anything that we wouldn't use on ourselves or our children. We're committed to offering our customers products they can trust to keep them and their bodies as healthy as possible.

The inVitamin brand sells all of its products through its own website -- www.invitamin.com -- and via select, exclusively authorized retailers who obtain express permission. inVitamin does not guarantee authenticity or quality for products purchased from unauthorized resellers.

Intellectual Property Rights

inVitamin participates in the eBay VeRO program and will report all infringing accounts. We will report all unauthorized use of our logos, content from our website, images, or any other copyrighted materials. We also consider any page that represents itself as an authorized dealer of inVitamin to be an infringement, and will take immediate action.

As a member of the eBay VeRO Program, our goal is to protect our customers from counterfeit listings and ensure everyone uses our intellectual property appropriately. This is critical to ensuring product safety and satisfaction for our customers.

Why Was Your Listing Singled Out?

Due to the high volume of merchandise for sale on eBay, it is difficult to identify and remove every infringing listing. If it appears we have not yet acted against an infringing listing, that does not mean we will not act accordingly.

Contact inVitamin

If you believe that your item should not have been removed, we request that you contact inVitamin at ebayvero@invitamin.com with any further questions. Please include your seller name and the listing number on the inquiry.
