

**THE PERFECT PART**  
*Innovative state-of-art*

## **About The Perfect Part Inc.**

The Perfect Part was founded in 2012 and is a global company that has never stopped innovating by creating solutions for the everyday consumer. With products ranging from telecom components to everyday personal goods, our employees connect with customers all around the world.

At The Perfect part, we believe the right product delivered the right way touches people worldwide. The Perfect Part harnesses the power of sourcing, manufacturing, and delivering low cost quality products to provide solutions efficiently. We use in-house science to solve challenges with our customers, and to stretch toward our vision of improving every day life.

The Perfect Part owns trademarks, copyrights and other intellectual property rights covering a wide range of diversified products. The Perfect Part has built up a significant reputation in its products over many years. We are determined to protect our intellectual property in the most effective way possible. Accordingly, The Perfect Part will not allow any infringing listings on any online platform in order to protect these valuable rights.
