eBay International Shipping Bulk Listing How-to Guide

This step-by-step guide will show you how to use the Bulk Listing tool to update your current listings to eBay International Shipping.

Want to be sure you get protections and savings on new listings, too? You don't have to do a thing. All new, eligible listings will automatically roll into eBay International Shipping.

Before you begin

Once you remove those other international services, eBay International Shipping will automatically become the default service.

If you need to update a single listing from Seller Hub, refer to <u>these instructions</u>.
